PRESIDENT'S MESSAGE

As always, it's a pleasure to welcome you to the annual Thoroughbred Christmas Show.

Your patronage and support, throughout the years, has contributed greatly to the success of the Louisville Chapter. Our wish is that it will continue for many years to come. To thank each of you personally would be an impossible task. So, collectively, let me say "THANKS" from all the Thoroughbreds.

May each of you have a most happy Holiday Season and much success throughout the coming year.

The Harrington Brothers

Introducing the youngest living members of the species Barbershop Quartet, the "Harrington Brothers." Affectionately referred to as the "squirts" by the Thoroughbred Chorus, they have already tallied many firsts to their credit. Besides being the Society's youngest registered quartet, they are the youngest District Quartet Champions ever! How young are they? Jeff is 17, Mike is 16, David is 13 and Dougie... well, he's young. Although they have only a little over a year of Barbershop experience, these youngsters have absorbed the art. With Excellent singing and an incredible amount of stage savvy, they have become one of the nation's most sought after show quartets. This recording captures the enthusiasm projected by these "effervescent adolescents. It is certain to become a collector's item.

.. *Allen Harrington*

- I ran out of ways to describe youth. Sorry!

Give The Great Whisky Made Like Great Wine.

This Christmas give something really special. Old Forester, the whisky made like no other whisky in the world.

Old Forester isn't blended. Rather, it gets its color and flavor solely from the maturation process itself.

It's made naturally, like Great Wine.

For example, Great Wine is matured under exacting conditions—to control temperature and humidity. So is Old Forester.

Most great French wines are matured naturally—in oak barrels. So is Old Forester.

Great Wines are "canded" for color and clarity. "Nosed" for aroma and bouquet.

They're bottled directly from the barrel. And, of course, they cost more.

This slow, natural process is how some wines become Great Wines.

And how Old Forester becomes Great Whisky, the perfect Christmas gift in the season's most elegant gift wrap.
